

Beginning in June, Selle Valley Garden School will be offering four adventure camps that will keep your child's brain active and learning, giving them an unforgettable experience.

Camps are available for children age 3 and older and will include a thoughtfully planned daily agenda that focuses the child's mind on the natural beauties of the outdoors and all the wonder and joy our natural resources can bring. Each week's off campus outing will depend on the weather, but below are examples of some of the adventures.

- Horseback riding
- Hiking to mountain lakes
- Fishing
- Swimming at the lake
- Pottery Painting
- Bike riding
- Cabin campouts
- TP Building/eagle nests
- Ross Creek Cedars
- Grouse Creek Falls
- Huckleberry / Blueberry picking
- Farm tours
- Schweitzer chairlift rides
- Survivor Courses
- Baking
- Wetland expeditions
- Kootenai Wildlife Refuge

Your child will be exposed to many new activities, building self-confidence as he or she discovers their unique talents and interests in the different crafts, sports, destinations, and experiences we explore.

In addition, every child will have a voice in the daily decisions made. Allowing them to eagerly anticipate the coming events as they follow our summer activity chart. The friendships made are invaluable, and by the end of the week/summer your child will feel that they are part of one big family.

Fun from sun up to sun down and every time in between!
